

Steromphala pennanti (R. A. Philippi, 1846)

AphiaID: 1039846

PENNANT'S TOP SHELL

Biota (Superdominio) > Trochida (Ordem) > Cantharidinae (Subfamilia) > Steromphala (Genero)

Serge Gofas, via WoRMS

Rainer Borchering - Schutzstation Wattenmeer, via beachexplorer.org

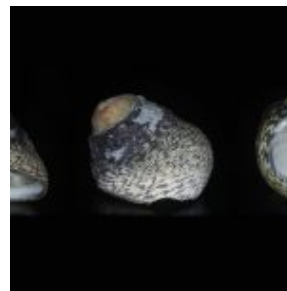

Identity confusions:

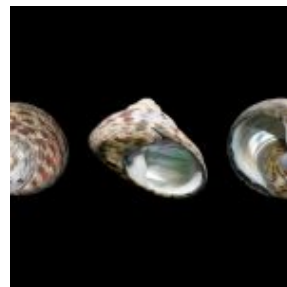

*Steromphala
cineraria*
Burrié

*Steromphala
umbilicalis*
Burrié

Phorcus lineatus
Caramujo

Phorcus sauciatus
Búzio

Synonyms

Gibbula pennanti (Philippi, 1846)
Trochus obliquatus var. *paupercula* Monterosato, 1888
Trochus pennanti Philippi, 1846
Trochus semiglobosus Aradas, 1847
Trochus umbilicatus var. *laeta* R. T. Lowe, 1861
